ENTRANCE PROCEDURE

Method of Admission Graduation from an accredited high school, or an equivalent of fifteen units, is required. Of these fifteen units of high school work, three must be in English, two in foreign languages, one in mathematics, one in science or history and eight in elective subjects. Of these eight elective units, five must be chosen from academic subjects. The remaining three units may be in music or other free electives. Entrance Examination The Musical preparation required for admission to the degree courses, whether or not expressed in terms of units accepted for High School graduation, includes a knowledge of elementary theory which should embrace, notation, keys, scale construction in both Major and Minor modes and intervals.

Students lacking sufficient preparation in theory or who cannot satisfy the prerequisites as set forth in the description of courses must take non-credit preparatory courses until the required degree of ability and knowledge is reached. It must be understood that those working for the Bachelor of Music Degree with applied Music as a Principal field of concentration must give their final graduating Recital before the Bachelor Degree can be conferred.

2. Regular or special students expecting to validate their credits in applied music, either for immediate or future application to degree requirements or for transfer to other institutions, must take the examinations. Special or preparatory students who do not take the examinations will be reported Z.

3. The final semester reports are made in accordance with the following system of marking: A, excellent (93%-100%); B, good (85%-92%); C, fair (77%-84%); D, passed (70%-76%); E, conditioned (55%-69%); F, failed (below 55%); FE, failure because of excessive absence; FS, failure because of pre-examination scholastic deficiency; W, withdrew from course with permission; WF, failure because of withdrawal from course without faculty approval. The passing grade is 70%.

4. *Quality of Work* A candidate for a degree must present not only the required character and quantity of work, but he must attain a certain standard of excellence in his work, especially in his major and minor areas of concentration. Hence, the candidate for a music degree must present, in addition to the minimum of 128 semester hours of credit, a minimum of 128 quality points, or an average grade of "C" or better.

Quality points are earned in the following manner: For the grade of "A" in a subject course, the student is credited with three times as many quality points as semester hours allowed for that course; for the grade of "B," twice as many quality points as semester hours; for the grade of "C," just as many quality points as semester hours; for the grade of "D," semester hours are credited, but not quality points; for the grade of "F," neither semester hours nor quality points are credited, but the semester hours are added as hours attempted in computing a student's standing and credit point ratio.

5. Any student who desires to take an examination from which he was absent must obtain permission of the Dean and obtain from the Registrar a blank form for presentation to the instructor in charge of the course. This blank, when signed, must be filed with the Registrar within one week from the time of the examination.

A summer session of six consecutive weeks in which not less than eight semester hours have been earned is considered as the equivalent of one quarter of a semester.

7. (a) In class subjects such as harmony, history of music, etc., and academic subjects, one semester hour of credit shall be given for one period of recitation (50 minutes) plus two hours of preparation each week for eighteen weeks, inclusive of examinations. In subjects such as ear training, sight singing, dictation, ensemble, etc., where no outside preparation is required, two 50-minute recitation periods per week for eighteen weeks shall be required for one semester hour of credit.

(b) One semester hour credit shall be given for each three hours per week of practice, plus the necessary individual instruction, with a maximum of six semester hours credit per semester allowed for the major subject in applied music. It is understood that the credit is not earned unless the final examination is satisfactorily passed. Students majoring in vocal or instrumental music shall be required to take a minimum of one hour (60 minutes) individual instruction per week throughout each year of residence.

(c) For a student to earn one semester hour of credit during a summer session, he must attend the same number of class sessions and make the same amount of preparation as he would by attending a one hour per week course for one semester during the regular academic year. It is usual academic practice to allow a student to earn one semester hour of credit for each week of the summer session.

8. Examinations will be conducted for students majoring in applied music at the end of the Sophomore year in order to determine if they have a reasonable chance to succeed in their chosen field of endeavor. At the end of the third year the student is required to give a junior recital. The quality of this recital will be judged by a jury who will decide whether or not the student might be ready for the senior recital the following year.

C. Relating to Attendance

All students must attend regularly classroom exercises, recitals, and University assembles. They will be charged with

all absences except such as are incurred through University action. Students who are absent from exercises on the day preceding or on the day following any college recess or vacation will be marked with two absences for each exercise missed, unless permission has previously been asked for and granted by the Regent.

A student withdrawing from the College during any semester before the final examination forfeits credit for work done in that semester.

There shall be no distinction between "excused" or "unexcused" absences.

Any student incurring more than six absences (in a three hour or more semester course) shall be dropped automatically.

In courses of less than three semester hours the maximum shall be double the number of semester hours, e.g. two semester hour courses, four absences shall be the maximum allowed; in a one semester hour course, two absences shall be the maximum.

Students who have exceeded the maximum number of absences shall have a right to petition the Committee on Attendance, if his class standing is good and a serious reason has warranted *each* absence.

Students petitioning for reinstatement shall do so within twenty-four hours after notification of being dropped is received from the office of the Dean.

The petition must be submitted by letter and include the reason for each absence, giving dates, etc.

While the petition is being reviewed by the Committee on Attendance the student shall be permitted to attend classes on probation.

Extended absences due to sickness must be verified by a doctor's certificate.

Attendance at funerals, weddings, outside work, transportation difficulties, and the like shall not be accepted as excuses for *excessive* absences.

Three times tardy shall constitute one absence.

Students entering class more than five minutes after the starting bell shall be recorded absent.

All candidates must be present at the Commencement exercises and receive their degrees in person. No excuse outside of serious illness attested by a reputable physician

will be accepted. The University will not confer degrees *in absentia.*

D. Relating to Discipline

The educational system of this University includes, as one of its most important features, the formation of character. It is expected that each student will be so loyal to the spirit and ideals of his Alma Mater that the exercise of proper self-conrol will come from his own convictions and free determination.

The College rules and regulations are meant as a guide and help to foster that gentlemanly conduct which is presupposed in every Loyola student. *These rules require regular and punctual attendance at all scheduled exercises, obedience to college customs and regulations, serious application to study, and blameless conduct. A student who shows himself deficient in these essential points will be suspended or dismissed.*

The College reserves the right to dismiss at any time a student who fails to give satisfactory evidence of earnestness of purpose and of interest primarily in the serious work of college life. Dismissal may be made without specific charges, and, in rare cases, perhaps on grounds that will seem insufficient to students and parents. The University, in these cases, holds itself to be the more capable judge of what affects the interests of the institution and the student-body.

The fees of such a student will not be returned.

MUSICAL ORGANIZATIONS

Loyola University Symphony Orchestra The University Symphony Orchestra is a complete organization composed of members of the faculty, advanced students, and the alumni. Rehearsals are held every week. Membership in the orchestra is compulsory upon all students selected by the Dean. It affords them an invaluable opportunity for acquiring the technique of orchestra playing and familiarizes them with the classic and modern repertoire of the orchestra. Advanced students are given the opportunity to appear as soloists with the orchestra.

Loyola University Choral Union In this division all Musical Organizations within the University take part and contribute to the presentation of larger Choral and Symphony works combined.

The Alumni of the University are invited to join this organization.

University Band Membership in the University Symphonic Band is open to the students of the College of Music if they have the required ability and training.

Religious Organization For the purpose of fostering religious faith and fervor, and to encourage ambitious students to spiritual and scholastic leadership, the University Sodality offers many opportunities for personal development, as well as training and practice in social work and religious activity. Weekly meetings are held for the discussion of phases of Catholic life, and bi-weekly the Sodality gathers in Louise Thomas Memorial Chapel to recite the office of the Immaculate Conception and receive Holy Communion in a body.
